SUPPLEMENTAL DECLARATION FOR REISSUE APPLICATION

Supplemental to the Declaration executed October 27, 2000, and filed October 31, 2000, I, Lawrence A. Lynn, declare that I verily believe that I am the original, first and sole inventor of the invention entitled "LUER-RECEIVING MEDICAL VALVE AND FLUID TRANSFER METHOD" described and claimed in Letters Patent No. 5,549,651 issued on August 27, 1996 from application No. 08/248,626, filed May 25, 1994, and described and claimed in the reissue application no. 09/699,398 filed on October 31, 2000 and amended by the Amendment filed December 31, 2001 and that all errors being corrected in the present reissue application up to the time of filing of this declaration arose without any defective intention on the part of applicant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
